Agencies please mark up.

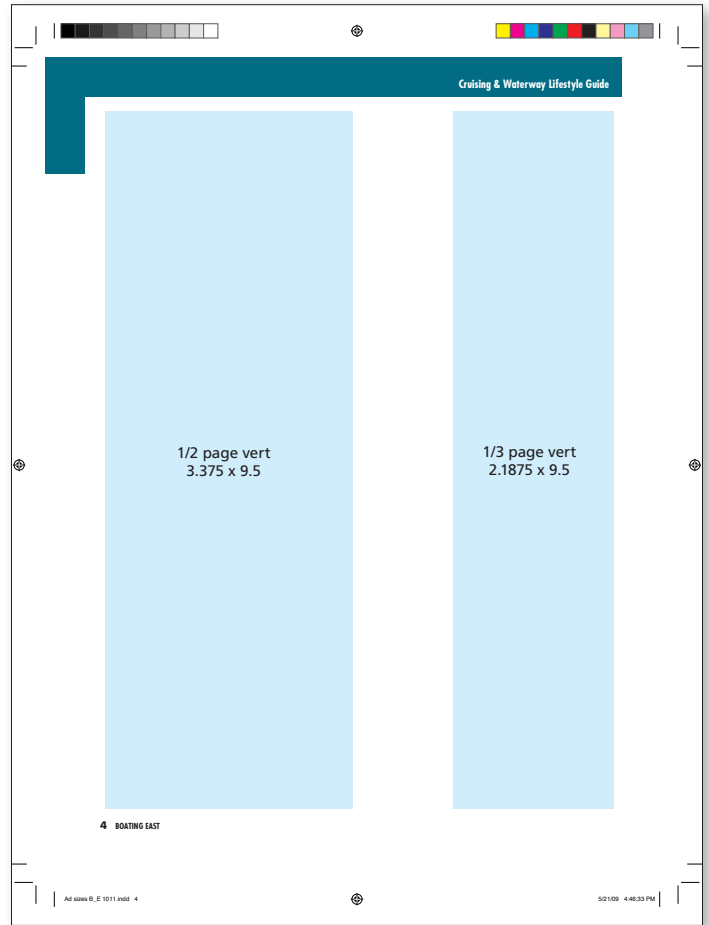

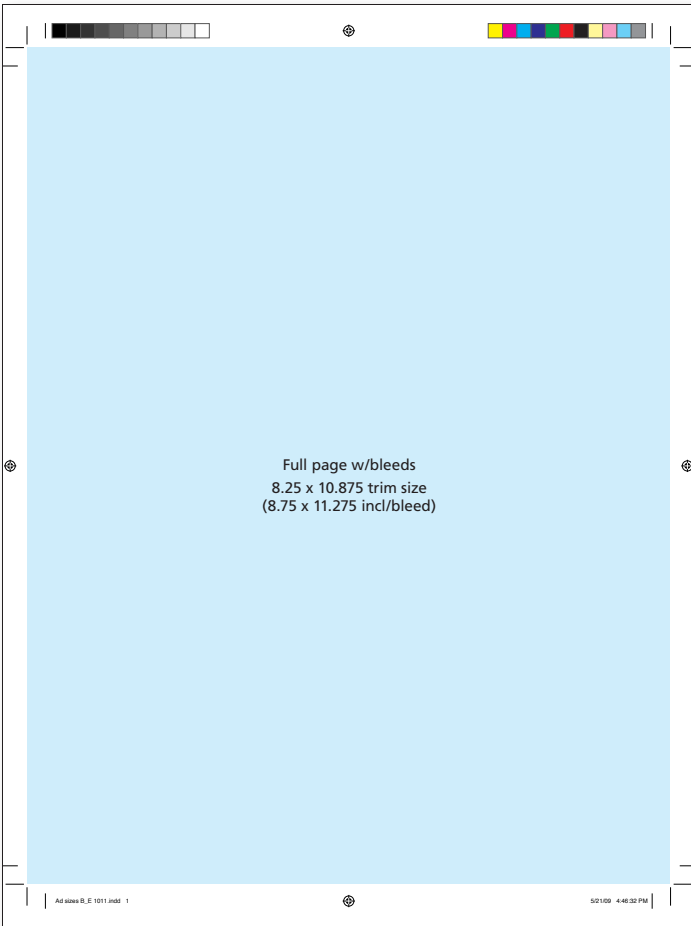

Ads requiring re-sizing, rearranging, typesetting or assembly will be charged at prevailing rates.

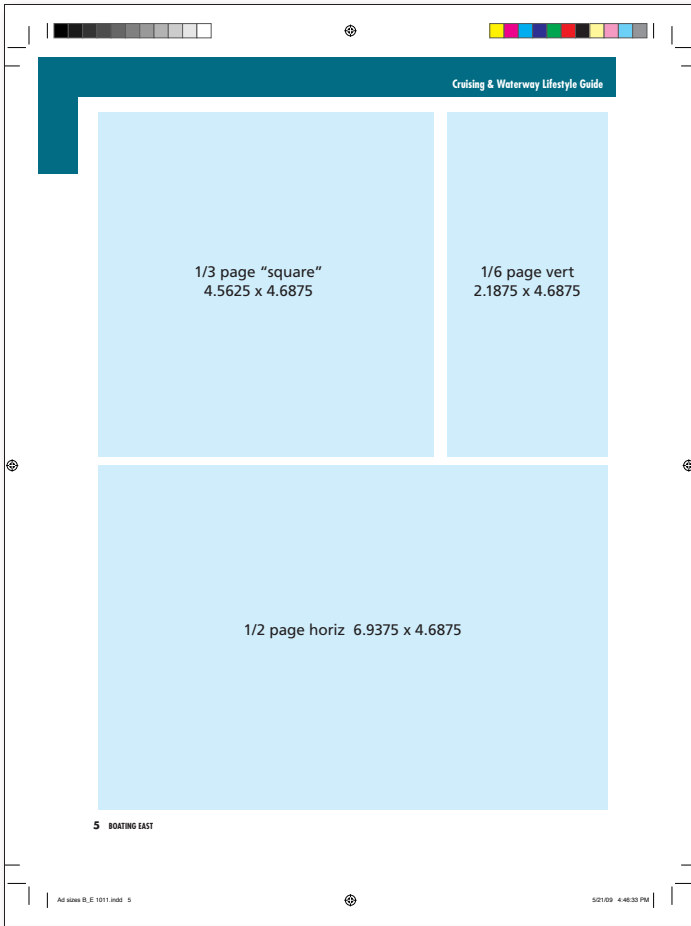

Printed web offset lithography, 150 line screen, coated stock.

For supplied ads:

To avoid production charges, all ad material is to be supplied **size-as, CMYK, in press-ready PDF format** with fonts embedded.

Your document set-up should be the actual ad size. For full page bleed ads, please keep all type elements to a minimum of 1/2" from the trim. InDesign files should be collected for output with all fonts included, and with all pictures saved in CMYK. Photoshop or Illustrator files—all relevant fonts, logos, TIFF and EPS files (with fonts outlined) should be included. Convert your final working file to press-ready PDF for placement into the magazine. Files must be clearly labelled and accompanied by a hard copy proof. We accept files by e-mail, on CD, or to upload files larger than 8MB, FTP instructions are available upon request.
